

## **POSITION DESCRIPTION**

National Information & Communications Technology Authority (NICTA)

### **AM100037 - Independent Expert - NICTA**

The **National Information and Communications Technology Authority (NICTA)** is established through the NICT Act 2009 (Act). It is the regulator of the Information and Communications Technology industry in Papua New Guinea (PNG) with specific focus on telecommunications, radiocommunications and broadcasting.

Applications are invited from qualified and experienced professionals for this position on the Board.

#### **INDEPENDENT EXPERT**

The role contributes to providing leadership, strategic direction and governance, serving as liaison between shareholders and the management team of NICTA.

#### **Key Responsibilities:**

- Participate fully in the functioning of the Board, and bring unfettered judgement to bear on issues of strategy, performance, resources, key appointments and standards of conduct
- Contribute to providing overall leadership within the controls of the legislative framework of NICTA
- Contribute to strategy development and resourcing for strategic initiatives implementation
- Contribute to ensuring NICTA effectively carries out its roles and functions while upholding the highest ethical standards of integrity and probity
- Discharge responsibilities effectively including but not limited to preparing for Board and Committee meetings, attending meetings, committing to ongoing development and supporting the Chairman and NICTA as a whole.

#### **Expected Competencies:**

- Bachelor's degree in Telecommunications, ICT, Science, Law, Business, Economics, Public Administration, Business Administration or other relevant fields
- Postgraduate qualifications in the above fields are preferred
- Proven experience in business management
- Extensive experience in public policy and/or regulatory functions
- Minimum of 10 years of experience in the telecommunications sector and the public service sector
- Previous board experience is advantageous
- Proven ability to provide independent, objective analysis and recommendations
- Strong analytical and problem-solving skills
- Experience in developing and implementing strategic initiatives
- Knowledge of industry best practices and emerging trends
- Ability to work collaboratively with diverse stakeholders
- Strong ethical judgment and commitment to transparency
- Commitment to promoting diversity and inclusion.

Female candidates are encouraged to apply.
