

POSITION DESCRIPTION

National Airports Corporation

AM10043 - Managing Director / Chief Executive Officer

Readvertisement

National Airports Corporation (NAC) is a State-owned Company, established under the Civil Aviation Act 2022 (as amended) and incorporated in 2009 under the Company Act 1997. NAC owns and operates 22 national airports throughout Papua New Guinea (PNG). It is highly capital intensive and technically regulated company, with over 900 employees spread across the country.

Applications are invited from experienced and qualified professionals for this Executive Management role based at the NAC Head Office in Port Moresby.

MANAGING DIRECTOR / CHIEF EXECUTIVE OFFICER

The Managing Director / Chief Executive Officer reports directly to the Board of NAC and the Shareholder Minister's (Civil Aviation and Finance) as and when required. This role is responsible for providing strategic vision and direction to all functional activities and setting clear performance and revenue targets, business growth and service standards. Furthermore, the MD/CEO is accountable of assuring safety and security of the 22 national airports operations to enable air transport movements in PNG.

Expected Competencies:

- Minimum Bachelor's degree in Business or Engineering or related field
- At least ten (10) years' senior leadership roles in aviation and airport management with strong industry alignment and cooperation with aviation leaders and stakeholders
- Sound knowledge of aviation industry, International Civil Aviation Organization (ICAO) Rules & Recommended Practice, PNG Civil Aviation Safety Authority Rules and Civil Aviation Act (2022) as amended
- High degree of maturity and productive engagement with PNG CASA with respective to sustaining regulatory obligations under CAR 139 compliance
- High level of strategic leadership experience in strategy formulation, financing and procurement and implementation and monitoring multimillion infrastructure projects
- Effective and productive working relationships with the Board, the Board members and Trustee Shareholders on governance standards, performance and government policy alignment in respect to the functions and obligations of the National Airports Corporation (NAC)
- Capacity to continually maintain high level of ethical standard of behaviour in the relationships with stakeholders and in the delivery of airport services to the aviation community and the travelling public
- High level of skills and leadership maturity in balancing organizational performance and transformation in a post pandemic environment
- High level of maturity in the leading and resolving of land owner related matters affecting the operations of airport infrastructure and sustainability of aviation services
- High level of commitment for capacity development and succession planning to ensure NAC has essential personnel meeting all Civil Aviation Rules Part 139 requirements.
