

POSITION DESCRIPTION

Kumul Minerals Holdings Limited

AM3975 - Executive Manager - Commercial

Kumul Minerals Holdings Limited (KMHL) is a State-Owned-Entity, established to operate as a commercial enterprise principally in mineral exploration, development, production, processing and marketing activities. Kumul Minerals is mandated as the exclusive nominee to hold and manage investments in mining assets on behalf of the Independent State of Papua New Guinea.

KMHL's vision is to focus its investments and efforts on those quality mining assets and projects which may reasonably be expected to earn industry-competitive returns through the relevant commodity price cycle.

Kumul Minerals currently holds an interest in Ok Tedi Mining Limited (67%), Bougainville Copper Limited (17.4%) and will target investment such as Wafi Golpu and other quality mining projects. Kumul Minerals plans to participate in mineral exploration and development.

Kumul Minerals is a small organization, operating as a strategic investor, currently drawing on operational, technical and commercial support as needed from Ok Tedi Mining Limited (under a Services Agreement) and from industry consultants.

KMHL is inviting exceptional candidates to apply for the role of:

EXECUTIVE MANAGER - COMMERCIAL

Reporting to the Managing Director, the successful applicant will provide commercial advice to management and the Boards of KMHL and its subsidiaries.

The breadth of responsibilities will expand as the Company develops.

Key Responsibilities:

- Conduct economic modelling and evaluation of investment proposals in mining
- Provide advice on project financing options
- Contribute to development of business strategy
- Prepare corporate plans, co-ordinate budgeting processes and timely performance reporting
- Ensure sound corporate governance and advise on prudent management of business risk
- Ensure KMHL satisfies its statutory requirements and meets ethical business standards
- Deputize for the Managing Director in his absence.

Expected Competencies:

- Bachelor's Degree in Finance / Accounting, and preferably hold an MBA
- Full membership of CPA/CA is desirable
- Minimum 10 years' experience in senior commercial roles preferably in a mining / resources environment
- Sound knowledge of corporate and board reporting and statutory compliance
- Strong experience in project economic evaluation and project finance
- Superior strategic and analytical skills
- Excellent business communication skills
- Ability to interface with industry leaders and senior government officials.
