

POSITION DESCRIPTION

Paradise Private Hospital

AM4017 - Business Transformation Project Director

Paradise Private Hospital (PPH) is undergoing a major business transformation exercise to improve their interactions with patients, ecosystem partners, streamline operations, and better manage changing industry regulations. Culminating in adding value and offering world class medical services to the people of Papua New Guinea.

To embark on this journey, we wish to invite suitable candidates to drive this initiative in conjunction with **PPH's** business transformation committee and the business transformation project team.

PPH is inviting exceptional candidates to apply for the vital role.

BUSINESS TRANSFORMATION PROJECT DIRECTOR

The Business Transformation Project Director will report to the Chief Executive Officer with key responsibilities as follows:

Key Responsibilities:

- Leading collaboration, change management, innovation, and adoption for successful business transformation initiatives and technology implementation with PPH's project team to ensure significant value is achieved in adopting changes quickly
- Liaise with the transformation committee at a strategic/tactical level and drive operational outcomes of the project with appropriate stakeholders
- Conduct an in-depth analysis and audit of PPH's IT systems and business processes and provide recommendations to the transformation committee for implementation.

Expected Competencies:

- Bachelor's degree in Information Technology/Business Administration/Accounting/Human Resources, International Development, or a related field
- Minimum of 10 years relevant industry experience
- Knowledge or expertise in field of IT systems, technology, SaaS platforms, enterprise software and end user devices
- Proven track record of success implementing business transformation and digital initiatives enterprise-wide preferably with health organizations and within developing countries
- Strong, positive track-record of innovation and collaboration, able to work with diverse teams in diverse locations, engaging their input and commitment to success.

The project is envisaged to run for a period of 18 months, with an opportunity to extend further if required.
