

POSITION DESCRIPTION

Kumul Consolidated Holdings

AM4094 - SOE Partner Manager

Kumul Consolidated Holdings (KCH) is a State-Owned Statutory Corporation with a clearly defined mandate to build shareholder wealth and to improve the provision of services to the people of Papua New Guinea. KCH is the Trustee Shareholder for 9 Majority State-Owned Enterprises (SOE) operating in the aviation, banking & financial services, insurance, maritime infrastructure, power, post & logistics, telecommunications, water & sanitation sectors.

KCH is committed to strengthening role of SOEs to deliver sustainable returns over the long term. KCH requires SOEs to focus on financial performance, capital allocation to meet expected return on assets, and investment strategies for legacy nation building projects. In some instances, this may involve partial privatisation. The goals are to increase revenue, drive profitability and seek new partnerships that deliver benefits for the people and Government of Papua New Guinea.

To strengthen and deliver sustainable returns, KCH is inviting exceptional candidates to apply for these vital roles within KCH Transformation Office (TO):

SOE PARTNER MANAGER

The incumbent will be responsible to build relationships between the KCH TO and the SOEs and develops the change and engagement between the two groups in order to maximise the likelihood of successful transformation and adoption.

Key Responsibilities:

- Provides enterprise level planning, coordination, oversight, governance and assurance services across KCH's portfolio of stateowned enterprises (SOEs)
- Enables the confident delivery of the organisation's strategic objectives, including reform projects, capital infrastructure projects, ICT projects, business improvement projects, and the essential initiatives to delivery of KCH's strategic objectives
- Maintain regular communication with relevant line Ministries, implementation agencies and other involved stakeholders in order to advise the PMO of developments concerning the portfolio of projects and provide recommendations for action
- Monitor the work of consultants engaged, provide guidance and peer review of monthly reports on individual projects, and approve consultants' monthly progress reports
- Monitor progress of all projects in the portfolio, advise on overall coordination, provide analysis of options and risks and develop aggregated reports with recommendations for action
- Develop and manage in coordination with partners the overall implementation strategy for activities in the Reform of SOE component
- Provide inputs for project work plans and project reports (semi-annual progress reports and final report) and their presentation to the National Project Director/Project Board for review/approval
- Maintain good cooperation and coordination between national counterparts, project partners and other relevant stakeholders
- Identify, collect and analyse relevant policy-related information and data
- Prepare briefs, talking points and relevant materials
- Draft terms of reference for consultants and project personnel
- Actively participate in and coordinate meetings, training sessions, conferences and public promotion of projects
- Prepare official correspondence for national and international partners.

Expected Competencies:

- Relevant Postgraduate qualifications and substantial experience in business, information technology, project management with relevant industry certifications
- Experience working independently and as a member of a team with 5-7 years' experience working in a leadership capacity within in a private organization
- Familiarity with PNG Government and SOE structure, agencies and current events
- Demonstrated leadership experience in project and program management and enterprise portfolio management
- Highly developed report writing and facilitation skills with the ability to structure, engage, and present information professionally, and engage with executive level audiences.
