

POSITION DESCRIPTION

Kumul Consolidated Holdings

AM4096 - Business Intelligence Analyst

Kumul Consolidated Holdings (KCH) is a State-Owned Statutory Corporation with a clearly defined mandate to build shareholder wealth and to improve the provision of services to the people of Papua New Guinea. KCH is the Trustee Shareholder for 9 Majority State-Owned Enterprises (SOE) operating in the aviation, banking & financial services, insurance, maritime infrastructure, power, post & logistics, telecommunications, water & sanitation sectors.

KCH is committed to strengthening role of SOEs to deliver sustainable returns over the long term. KCH requires SOEs to focus on financial performance, capital allocation to meet expected return on assets, and investment strategies for legacy nation building projects. In some instances, this may involve partial privatisation. The goals are to increase revenue, drive profitability and seek new partnerships that deliver benefits for the people and Government of Papua New Guinea.

To strengthen and deliver sustainable returns, KCH is inviting exceptional candidates to apply for these vital roles within KCH Transformation Office (TO):
