

POSITION DESCRIPTION

Kumul Consolidated Holdings

AM5001 - Chief Executive Officer

CHIEF EXECUTIVE OFFICER TELIKOM LTD

Kumul Consolidated Holdings (KCH) is a State-Owned Corporation with a mandate to build shareholder wealth and improve the provision of services to the people of Papua New Guinea. KCH is the Trustee Shareholder of Majority State-Owned Enterprises (SOEs) operating in the aviation, banking, insurance, ports, power, posts, logistics, telecommunications, water & sanitation sectors.

KCH supports SOEs focus on performance management, capital allocation, and investment strategies. In some instances, this may involve partial privatisation. The goal is to increase revenue, drive profitability and seek partnerships that deliver benefits for the people and Government of Papua New Guinea.

The abolition of Kumul Telikom Holdings Limited has resulted in the merger of two of its subsidiaries, BMobile and Telikom, into a single retail telecommunications company, Telikom Limited.

Expressions of Interest are being sought from individuals who are interested in being considered for employment as the CEO of **Telikom Limited**, a subsidiary of Kumul Consolidated Holdings and subject to the provisions of the KCH Act, as amended.

Under the KCH Act, CEOs of SOEs are appointed by the NEC on the recommendation of the SOE Minister from a shortlist of persons with the necessary qualifications, knowledge, skills, experience, and attributes suitable for the position. Demonstrated expertise in the areas of telecommunications, commercial & technical management, strategy, risk, and diversity is valuable.

KCH will undertake a rigorous, transparent, merit-based assessment process to identify the best candidates to be nominated for appointment as CEO.

Expected Competencies:

- Post graduate qualifications and a minimum of 10 years demonstrated executive management experience in a substantial telecommunications entity
- Extensive experience in an international telecommunications company with a demonstrable network of business relationships
- Experience in capital project management, of mobile telecommunications projects exceeding US\$100 million in value
- Proven track record in the establishment, marketing and monetisation of internet service providers (ISPs) and digital media on radio, television and internet
- Experience of building successful partnerships with government organisations and global institutions
- Technical and management knowledge of mobile telecommunications and cyber security matters
- Demonstrated leadership, management, organisational, analytical and project management skills
- Strong business acumen, financial management & reporting capabilities
- Excellent communication and people management skills and have the ability to work effectively and collaboratively with government and industry leaders
- Demonstrated experience in evaluating and applying emerging technologies, transform businesses and deliver sustainable competitive advantage
- Well-developed negotiation and influencing skills
- Advanced computer skills.
