

## **POSITION DESCRIPTION**

Kumul Minerals Holdings Limited

### **AM6037 - Managing Director**

**Kumul Minerals Holdings Limited (KMHL)** is the National Mining Company of Papua New Guinea (PNG), operating as a commercial enterprise, principally in mineral exploration, development, production, processing and marketing activities. KMHL is mandated as the exclusive nominee to hold and manage mining investments on behalf of the **Independent State of Papua New Guinea**.

KMHL currently holds an interest in Ok Tedi Mining Limited (67.7%), Bougainville Copper Limited (17.4%) and is focused on investing in quality mining projects to create more value for our shareholders.

Successful candidates are required to drive strategic direction, retention, growth and expansion through proactive thought leadership and demonstrated value - added advocacy. This is a dynamic position and you must be comfortable with frequent multi-tasking between strategic management, technical, business, finance, commercial and planning activities which are vital for the successful delivery of the role's responsibilities.

KMHL is now inviting **exceptional candidates** to apply for this leadership role that will shape the development of PNG's national mining company.

## **MANAGING DIRECTOR**

The Managing Director is a Port Moresby based position and is a member of the KMHL's Board reporting to the Board Chairman.

### **Key Responsibilities:**

- Develop strategies and plans to achieve Board approved objectives and goals
- Influence strategies and plans of companies in which KMHL is a shareholder
- Identify and evaluate investment opportunities to ensure the Company's growth
- Participate in negotiations on new Project Agreements
- Report to KMHL Board and Trustee Shareholder on Company's performance and issues
- Establish policies to ensure sound corporate governance
- Ensure compliance with statutory reporting requirements
- Maintain relationships with business partners, lenders, and regulatory authorities
- Represent the Company externally
- Advise government on mining policy and amendments to mining legislation.

### **Expected Competencies:**

- Graduate qualifications in Engineering, Science or Commerce and preferably an MBA
- Minimum 15 years' management experience in any business that provides technical commercial or financial involvement in mining resource industry
- Demonstrated leadership skills
- Strategic perspective; strong analytical skills
- Familiarity with corporate law and management best practices
- Excellent oral and written communications, interpersonal and presentation skills
- Proven commercial negotiating skills
- Ability to work effectively with the government, industry and landowners
- Technical knowledge in Mining & Resources, Finance & People Management and Risk Management.
