

## **POSITION DESCRIPTION**

National Information & Communications Technology Authority (NICTA)

### **AM9096 - Independent Expert**

The **National Information and Communication Technology Authority (NICTA)** is a sector specific regulatory authority established through the NICT Act 2009 (Act). NICTA is the regulator for the Information and Communication Technology industry in Papua New Guinea (PNG) with specific focus on telecommunications, radiocommunications and broadcasting.

Applications are invited from qualified and experienced professionals for this Board Level position based in Port Moresby, on a part-time basis.

### **INDEPENDENT EXPERT**

The Independent Expert is required as part of the unitary Board.

#### **Key Responsibilities:**

- Fully participate in the functioning of the Board, and bring unfettered judgement to bear on issues of strategy, performance, resources, key appointments and standards of conduct
- Provide overall leadership within the controls of the legislative framework of NICTA
- Developing strategy and ensuring resourcing to accomplish the same
- Set NICTA's values and ensure they are adhered to while upholding the highest ethical standards of integrity and probity
- Allocate sufficient time to discharge responsibilities effectively including but not limited to preparing for Board and Committee meetings, attending meetings, committing to ongoing development and supporting the Chairman and NICTA as a whole.

#### **Qualifications & Experience:**

- Bachelor's degree in Telecommunications, ICT, Science, Law, Business, Economics, Public Administration, Business Administration or other relevant fields
- Postgraduate qualifications in the above fields are preferred
- Strong background in business management
- Extensive experience in public policy and/or regulatory functions
- Minimum of 10 years of experience in the telecommunications sector and the public service sector
- Previous board experience is advantageous
- Proven ability to provide independent, objective analysis and recommendations
- Strong analytical and problem-solving skills
- Experience in developing and implementing strategic initiatives
- Knowledge of industry best practices and emerging trends
- Ability to work collaboratively with diverse stakeholders
- Strong ethical judgment and commitment to transparency
- Commitment to promoting diversity and inclusion.

Female candidates are encouraged to apply.
